

COTH Cabin

Bush Luxury

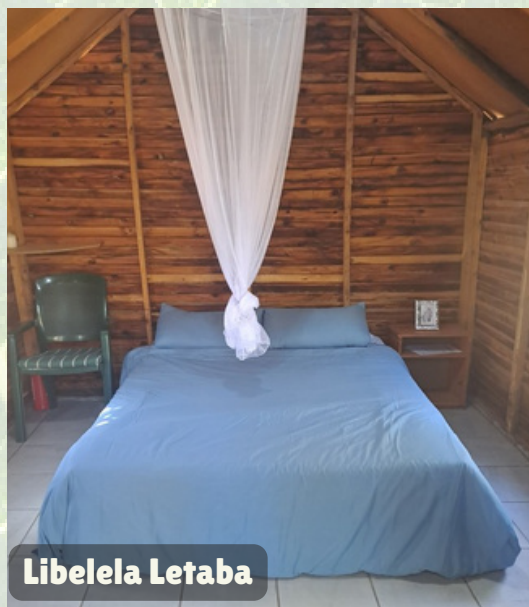

The private cabins are outside the volunteer village and give some more space for privacy. Even though they are still basic, they provide some special comforts the shared volunteer cabins lack. Best of all, you are by yourself or with your loved ones!

PRIVATE CABINS

Each private cabin is a wooden cabin with electricity (mainly solar). The toilets and sinks are just outside and shared by fewer people in the vicinity. All cabins are equipped with electrical sockets, fans, mosquito nets and bedding. Wifi is accessible.

Lankora Landing

Libelela Letaba

Libelela Letaba & Lankora Landing

These two cabins are slightly larger than the usual shared cabin. Equipped with a queen-sized bed, they are ideal for couples or single travelers. The larger room allows you to relax fully during your stay.

If you prefer two single beds, please specify in your booking.

Rubin's Cottage

Rubin's Cottage is our coziest cabin. A little kettle allows you to get your coffee while snuggled in the comfy queen-sized bed. It is a secure brick cottage (not wooden, and it has burglar bars on windows and extra lockable security door) with shower and sink just outside. It's located at the voluntary staff village, and is also nearer the volunteer cottage area. Weekly cleaning, washing and bedding change included in the cabin fee.

Booking

As all private cabins are very popular, especially during peak season (Oct-Feb). Please be flexible, your favourite cabin might not always be available. So, be quick! Email Josie (josie@vervet.za.org) today.

These weekly prices are in addition to your volunteering contribution.

	Price (Oct-Feb)	Price (Mar-Sep)
Lankora, Libelela, Rubin's	R3000	R2000
COTH	R5000	R4000

COTH Cabin

Is a large wooden cabin with 1 queen-sized bed and 2 single beds, ideal for families! The cabin is newly renovated and equipped with a ceiling fan, a fridge, a kettle for tea, and multiple wardrobes. If you rather come with a group of friends, the queen-sized bed can be replaced with 2 single beds, please let us know.
